FOLLOWING JESUS TO THOSE NOT YET

Welcome to A Better Way to Die Seminar. Our wish is to help you to plan and organize your life as it is now, as it will be later and then... well, you know. It's inevitable.

We have three very important things we want to help you accomplish today.

- ☐ Know and understand how to complete your will and your financial and medical power of attorneys.
- ☐ Have a plan to organize your important personal information including your end-of-life plan.
- ☐ Capture your end of life wishes and save them to your personal profile in Planning Center.

The additional pages include a detailed checklist for you to use as a guide to organize your personal information. In addition there is reference information to help you through this process.
